

MICHELLE & ALEX

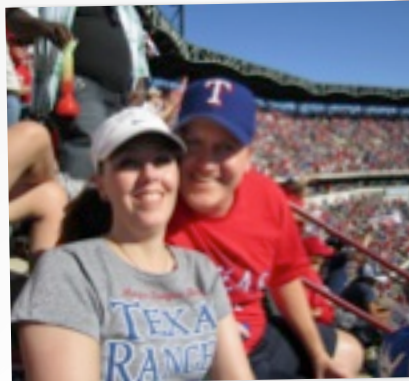

Dear Birth Parents,

Thank you for taking the time to read this letter and learn about us. We commend and support your decision to provide a loving, prosperous, stable home for your child through adoption. We know the decision must be difficult, but view it as an act of maturity, selflessness and love. We believe God has provided adoption as our way to build a family. We know God will place the right decision regarding the placement of your child on your heart in His perfect timing. We are honored to be a part of this process and will keep you, your child and your decision in our thoughts and prayers.
