Sean says about Jene...

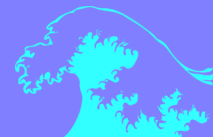

Jene is a loving and caring woman. She's a fantastic friend, wife, and mother. She enjoys running, music, and family. She currently works as an environmental project manager for a marine construction and engineering company, but is able to office close to home and even work from home when she needs to.

We would like to thank you for considering us for your child's adoptive family. We deeply appreciate the selfless choice you are making. We believe we can give your child a very loving and nurturing home with a great family environment for your child to learn, grow, mature, and succeed.

We dated for 6 years and have been married for 9 years. We have been blessed with two children. Our first child was our daughter, Davin. She was only with us for a short time, but touched our hearts very dearly. Our second child, Kieran, is 4 years old. He is a very loving little boy. He warms our hearts and makes us laugh every day. We would love to grow our family and have chosen adoption to be our next step.

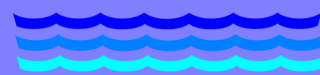

Jene says about Sean...

Sean is a very dedicated husband, father, and friend who always puts our family first. He enjoys surfing, paddleboarding, building things and cooking out for our family. He has worked for a maritime company for the last 19 years. We both enjoy spending our free time with friends and family.

We have traveled to surf and explore the world. At home, in addition to our son Kieran, we have a dog named Stetson and a kitten named Roxy. We live in a small cozy neighborhood on the coast where we have remodeled a home. We love to spend time outside, attending sporting events, or going to the beach.

We promise to open our home and hearts and give your child unconditional love. We will give your child the support and opportunity to grow and follow their dreams. We will always be there for them and give them important values to help them enjoy and excel in life.

Again, we want to express our heartfelt gratitude to you for considering us as an adoptive family.

Sincerely,

Sean, Jene, & Kieran
